and T. A. of all employees in Primary Schools at the Treasury and arrange to make disbursement to the teachers of schools at a distance of less than five miles from the Treasury not later than the second Saturday in the month (giving them previous intimation of change of date fixed for such payment, if and when necessary) and remit on the day on which the bill is cashed by Money Orders the amounts due to the teachers residing beyond that distance.

2. The Director of Public Instruction states that representations are being received for the disbursement of the pay of the Primary School Teachers much earlier (namely, on the 5th of every month as provided for in G. O. No. 8529-39—Edn. 33-18-3, dated 8th March 1919), owing to the hard conditions of the teachers. As the pay of the teachers of schools situated five miles or more from the Treasury is now remitted by money order the number of persons coming to the Treasury for payment is smaller than heretofore and the Treasury work in respect of personal payments to teachers is thus reduced. Further, as the countersignature of the pay bills of the Primary School Teachers by the Elementary Education Officers has since been dispensed with, the Assistant Inspectors of Education can send the bills much earlier than before, allowing sufficient time for the Treasury to scrutinise them.

3. In the above circumstances, the Amildars are requested to cash the salary bills of Primary School Teachers and arrange for the disbursement of pay to the teachers on the fifth of every month (or on the next working day, if that day happens to be a holiday), the Money Orders for teachers of schools situated at a distance of five miles or more being sent on the same day. The Assistant Inspectors of Education have already been instructed by the Director to send the bills to the Treasury not later than the second of every month and to close the schools on the fifth of every month (or on the next working day, if that day happens to be a holiday) to enable the teachers to receive their pay and also to hold and attend the Teachers' Association Meetings on that day.

MISCELLANEOUS DEPARTMENT

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 24th November 1948.

No. T. 319—48-49. In exercise of the powers conferred on me by clause 31 of the Mysore Cotton Textiles (Control) Order, 1948, I hereby direct every dealer including procurers in cloth or yarn in Mysore State to furnish on or before the 5th December 1948, to the undersigned information about the quantities and description including Tex-mark number and month of packing of cloth and yarn in his possession on 1st December 1948, whether on his own account or on account of any other person.

2. Such of dealers who fail to submit the declaration within the prescribed date are informed that the licenses to be granted under Mysore Cotton Cloth Dealers' Licensing Order, 1948, will be cancelled without prejudice to any other action that may be taken against them for failure to submit the declaration and thereby for contravening the provisions of Clause 31 of the Mysore Cotton Textiles (Control) Order, 1948.

M. K. APPAJAPPA,
Controller of Civil Supplies and Additional
6528 *Textile Commissioner for Mysore.*

Dated the 24th November 1948.

PRESS NOTE.

(Yarn **Distribution.**)

Certain articles had appeared in some of the Local Newspapers relating to inadequate and untimely distribution of yarn. The following Press Note is issued for the information of the public as regards the actual position.

Yarn is being allotted to the State as per the All India Yarn Distribution Scheme and the State gets from local mills and mills situated outside State about 1,500 bales per mensem, out of which 600 (six hundred) bales are allotted to power loom factories and the rest to hand-loom industry.

Power-loom factories receive their monthly quotas at 18 bundles per loom per mensem direct from the wholesale dealers to whom they are attached. As regards the hand-loom weavers, a portion of yarn is allotted to Textile Department for distribution to weavers through Government Yarn Depots. The remaining quantity of yarn assigned to hand-loom industry is arranged to be distributed through retail yarn dealers and societies.

In all the districts, other than Bangalore District where distribution is arranged directly by this office, the Deputy Commissioners concerned are allotted a monthly quota and they issue permits to the retail dealers as per their previously fixed quota for being distributed to the hand-loom weavers attached to them. A cross section of counts that would be received towards the State quota is being allotted to each district and the Deputy Commissioners allot the required counts to the retailers considering the needs of each locality as was being done during previous control period.

As regards supply of yarn, three allotments have been made since the re-imposition of Controls. Each allotment is equal to 75 per cent of the monthly allotment made during the previous Control. The reduction is due to non-receipt of allotted yarn in time from mills outside the State and partly due to the reduced allotment towards the State quota by the Textile Commissioner, Bombay.

In almost all the districts the three quotas have been distributed to the hand-loom weavers by the Deputy Commissioners concerned. Thus every effort is being directed towards equitable distribution of yarn to hand-loom weavers in the State. The question of obtaining increased quota of yarn to the State is under correspondence with the Textile Commissioner, Bombay.
